

ATF SYN 9G

Synthetic Automatic Transmission Fluid

Description

ATF SYN 9G is an extremely highly qualified, thin liquid automatic gear box oil based on specifically selected synthetic base oils. To this oil with high viscosity index the most modern additives were added.

It contains the following features:

- Excellent fuel saving
- Outstanding lubrication and high anti-oxidation resistance
- A positive activity against wear, corrosion and foam
- Supreme thermal stability
- High and stable viscosity index

Quality level

MB 236.17

Available in

Cartons of 24x1 L, 12x2 L and 6x5 L.
Barrels of 30, 60 and 208 L.

Application

ATF SYN 9G is a synthetic oil for the lubrication of automatic transmissions of certain 9-speed Mercedes-Benz vehicles where an oil with the specification MB 236.17 is prescribed.
