

SYN GEAR MULTI F.S. 75W80

High Performance Synthetic Transmission Oil

Description

Syn Gear Oil Multi F.S. is an outstanding oil, suitable for almost all manual gearboxes of passenger cars. This oil is extremely suitable to replace the specific original OEM oils. This oil, tested under very strict conditions meets, in all weather conditions, the general performance requirements of most manufacturers and car models. It offers a very good anti-wear protection and an extended transmission life. It also guarantees a very high resistance against oil degradation and smooth shifting without vibrations.
